Advanced Analytical Chemistry & Materials Engineering

April 27, 2012

Fellert North America
3411 Brinkerhoff Road
Kansas City, KS 66115

Attn: Mr. Sandy Andrew

Ref: Lab File # RA-0411-1A-F-12C

1. SAMPLE(S):

Three (3) miscellaneous samples;

A. Plaster- total of one (1) bag of plaster

1. Product Name: Fellert Even Better

B. Acoustical Ceiling Tiles- Total of two (2)

1 . Product Name: Fellert Even Better

2. ANALYSIS PERFORMED:

B. Acoustical Ceiling Tiles:

1. Test Method for Measurements of Internal Stress in Organic Coatings-ASTM D6991-05

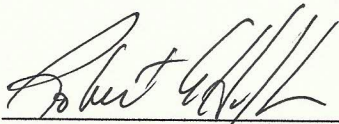

3. RESULTS:

B. Acoustical Ceiling Tile:

1. Test Method for Measurements of Internal Stress in Organic Coatings-ASTM D6991- 05

ASTM D6991-05

<u>Sample</u>	<u>Internal Stress (MPa)</u>
a. Fellert Even Better	2.1
